

8.10 MATERIALS AND COLOUR

Objectives

- (a) To ensure that the selection of materials and colours is harmonious with the item or conservation area.
- (b) To ensure infill development considers the materials and colours characteristic of the conservation area.
- (c) To ensure that detailing and decoration is provided in consistent materials, finishes and colours to listed heritage items and identified conservation areas (refer to *Annexure B8-1*).

Controls

8.10.1 Heritage Items and Contributory Buildings

- (a) Council may require a proposed colour palette to be submitted with the development application.
- (b) Original construction and in particular original finishes are to be maintained where possible.
- (c) Changes to materials on elevations visible from the public domain are discouraged.
- (d) Alterations and additions should use materials similar to or compatible with the original material used.
- (e) The selection of materials and colours is to be consistent with those used in the item or conservation area.
- (f) Colours for alterations and additions should be consistent or harmonious with existing building to help integrate new and old.
- (g) Previously unpainted surfaces should not be painted. Painting of original stone or face brickwork causes fretting and eventually substantial damage as it traps moisture inside. Similarly, clear sealer such as silicone should be avoided.
- (h) Original face brickwork and stonework is not to be rendered.
- (i) Bricks should match the existing brick and mortar colours as well as the type of joint and brick laying pattern.
- (j) New building work constructed of timber should match the existing building elements made of timber (e.g. frames, weatherboarding, fascias, brackets, columns, friezes, etc).
- (k) Cast iron or wrought iron elements, should be reinstated where possible.

8.10.2 Infill Development

- (a) Infill buildings should recognise characteristics materials, textures and colours used locally and in adjacent buildings.
- (b) Materials and colours of surrounding buildings need not be simply copied but used as a point of reference.
- (c) Modern materials can be used if their proportions and details are harmonious within the surrounding historic context.
