

14.2.7 Development in excess of 15 metres in height

- (a) Naming rights to the building, often in favour of the principal tenant, shall be limited to the form of one advertising sign above the awning. The sign shall be designed and positioned in a manner sympathetic to the design criteria of the building. Where no principal tenant exists, a coordinated approach shall be used in meeting the signage needs of the tenants of a building. This should generally be limited to a directory panel in the common area of the building.
- (b) Roof signs shall not be permitted where they exceed the height of the building, or where they are flashing or moving. The assessment of any proposed roof sign shall include an evaluation of its impact on adjacent residential development, in terms of intensity and duration of illumination.

14.2.8 Automotive related activities

- (a) Freestanding pole signs shall have a maximum height of 6 metres above ground level, and the sign itself shall not exceed 3.4m² in area.
- (b) Pole signs shall not project more than 750mm beyond street alignment (refer to Figure 30).
- (c) A fin sign positioned as such shall have a maximum height of 1.5m above the roof structure (refer to Figure 30). No portion of the sign shall project over Council's footpath. Fin signs shall have a maximum area of 9m² referring only to the name of the establishment. Only one fin sign shall be permitted on the premises.
