

1.2 DESIGN

Objectives

- (a) To encourage a range of uses to service the local community as well as regionally.
- (b) To encourage development to be designed to have an engaging interface between the private and public domain, with a high level of amenity.
- (c) To encourage surveillance over the public domain.
- (d) To enhance the scenic quality and amenity of streetscapes and public places.
- (e) To ensure operations are compatible with adjoining residential uses and are in accordance with the amenity expectations of the subject site and locality's zoning(s).
- (f) To effectively manage the interface between non-residential uses and residential accommodation.

Controls

1.2.1 Frontages

- (a) Front windows shall be designed to promote an active street frontage and have a display function (refer to *Part B16 Public Domain*).
- (b) The development is to be designed to provide casual surveillance to the street.
- (c) The use of obscured glazing is generally not supported. Privacy louvres and screens are preferred which allow partial views into a premises. Where privacy is required, obscured glazing may be provided at the rear of the premises.
- (d) Window and door frames and styles should reflect the character of the building and area.
- (d) Premises are required to display a street number. The height of the numbers will be no less than 300mm presented in a clear readable font, located above the entry door, where possible.

1.2.2 Awnings

- (a) Premises are to provide a continuous awning, except where an awning would compromise the integrity of a heritage item.
- (b) Awnings are to be designed in accordance with the building age, style and character, and be sympathetic to the design of adjoining awnings.
- (c) Awnings are to match the alignment and style of adjoining buildings to provide continuous weather protection.
- (d) Development must also comply with the relevant provisions of *Part B16 Public Domain*.

1.2.3 Lighting

- (a) Under awning lighting is to be provided.
- (b) Fluorescent lighting is discouraged.
- (c) Where residential development is located above retail or commercial premises or to the rear, demonstrate that light is not directed toward the residents of the building.
