

1.14 VIEWS, VISTAS AND TREE PRESERVATION

Bondi Junction is located on a ridge which provides Bondi Junction with vistas of the Woollahra ridge slopes and Harbour Foreshore glimpses to the north down Newland Street and Bronte Road. To the south, there are vistas of the suburbs of Queens Park, Randwick and Clovelly.

The most important views within Bondi Junction occur along its streets. These views along streets frame the overall visual quality of the centre and help to define and differentiate different places within the centre. As such they are intrinsic to the quality of the urban environment and are to be retained and enhanced in the future.
