

### 1.21.1 West Oxford Street

Figure 30 West Oxford Street Area

#### Existing Character and Built Form

West Oxford Street has a “village”-feel character with low-density built-form. The majority of existing development contains ground floor awnings and minimal front setbacks. Little development exceeds two storeys in scale.

The Area contains a mix of both large and small lots, providing opportunity for a mix of retail and commercial formats.

#### Desired Future Character Objectives

- (a) To protect the residential amenity of surrounding residential sites.
- (b) To retain established low-density character and “village” feel.
