

- (c) To ensure retention and restoration of detailing to heritage items and contributory buildings including street level shopfronts and entry lobbies to residential flat buildings.
- (d) To ensure heritage items and contributory buildings are retained and remain legible as individual buildings in new developments.

Controls

- (a) Heritage items and contributory buildings are nominated on the Heritage Items and Contributory Buildings Maps provided for each Character Area in *Part E2.2 Character Areas*.
- (b) Heritage items and contributory buildings are to be retained and to remain legible as individual buildings in any related development.
- (c) Heritage items and contributory buildings may be adaptively reused where existing usage is no longer viable.
- (d) Adaptive reuse of heritage items and contributory buildings is to maintain the form, detail and finishes of the existing buildings as the dominant aspect of the site with new works having limited impact upon the significance and contribution of the building to the conservation area.
- (e) Any works adjacent to or in the context of heritage items and contributory buildings must clearly demonstrate cohesion with the existing historic character of the streetscape and the form, alignment, detailing, articulation and materials of heritage items and contributory buildings defining the conservation area.
- (f) Where upper storey additions are proposed to heritage items or contributory buildings that have pitched roofs, attic additions are to be utilised in lieu of additional expressed floors.

2.1.7 Infill Buildings

Part B8 Heritage also applies for the Bondi Beachfront Area

Objectives

- (a) To encourage infill buildings sympathetic in style to heritage items and contributory buildings in the Bondi Beachfront Area.
- (b) To discourage infill buildings from imitating characteristics of heritage items and contributory buildings.

Controls

- (a) Infill buildings must not imitate decorative details or features of heritage item and contributory buildings.
- (b) Fenestrations must have similar proportions to heritage items and contributory buildings within the Bondi Beachfront Area.
- (c) Where a new building is located adjacent to heritage items or contributory buildings, its design must be sympathetic in scale, alignment, detailing and materials to these existing buildings.
- (d) Infill buildings must build to the prevailing street wall height then setback a minimum of 3m to any upper floors.
