

2.2.1 Notts Avenue

Existing Character and Built Form

Notts Avenue is a residential area comprising a variety of housing forms including street defining residential flat buildings along Notts Avenue and a tower on top of the headland along Campbell Parade (refer to Figure 39). Buildings are generally oriented to the north to take advantage of the aspect and elevated views over Bondi Beach. It has an irregular subdivision pattern.

Existing buildings in this area are predominantly rendered masonry with flat and pitched roofs. Buildings have a variety of expressions from the strongly horizontal emphasis of the building at the corner of Notts Avenue and Campbell Parade to vertical flat buildings.

Notts Avenue is characterised by blank street walls and a raised pedestrian footway at ground level with some garage openings and buildings located on top of a sloping topography. The Campbell Parade frontage is not street defining and contains residential uses at ground level.
