

2.2.3 Campbell Parade Centre

Existing Character and Built Form

Campbell Parade is the principal street that runs parallel to Bondi Beach. Gould Street and Jacques Avenue are secondary streets that run parallel to Campbell Parade (refer to Figure 46). A regular pattern of secondary streets run perpendicular to Campbell Parade, creating visually prominent corners at Lamrock Avenue, Hall Street, Curlewis Street and Beach Road.

Campbell Parade is an integral element of the tourist image, providing retail, food and other services for the transient day/night time population and local community. Gould Street is an increasingly vibrant secondary street, providing specialist retail for visitors and the surrounding neighbourhood.

Buildings between Roscoe Street and Lamrock Avenue have narrow frontages and are built to the street alignment, with notable facades that contribute to its Interwar heritage. These buildings are predominantly rendered masonry with parapets with a vertical expression through the use of bay or vertically proportioned windows, pilasters and few balconies, typically enclosed. Existing buildings generally have a south-eastern orientation that takes advantage of the views over Bondi Beach, generally without balconies.

Many sites contain heritage items or contributory buildings and a large proportion of the area is located within the heritage urban conservation area. These buildings are generally intact and consistent with other 1920s/30s precincts in Sydney.
