

2.2.5 Ramsgate Avenue East

Existing Character and Built Form

The area generally has a regular subdivision pattern with narrow frontages to the street. It is a residential area comprising a variety of housing including dwelling-houses, two to three storey townhouses and residential flat developments. Buildings are generally oriented towards the west to take advantage of the elevated views over Bondi Beach. There is some shop-top housing at the western Ramsgate Avenue East, opposite Biddigal Reserve.

Existing buildings in this area are predominantly masonry, rendered and face brick, with pitched roofs but there are some flat and curved roofs. They have a variety of expressions with large fenestrations to the west and balconies are common. There are no heritage items in the area and it is located outside the heritage urban conservation area. Many sites contain buildings that are worthy of retention as they contribute to the overall character of the Area.

Brighton Avenue East has wide landscape strip with street trees with buildings setback from the street (refer to Figure 48).
