

E3 LOCAL VILLAGE CENTRES

Throughout Waverley there are a number of local village centres. These are smaller centres serving the local community, separate to the regional role of Bondi Junction and Campbell Parade at Bondi Beach.

The centres enjoy unique position and character. Some of these centres are small, but all provide valuable services and facilities to local residents and users.

The purpose of this part is to strike a balance between upgrading and improving the public and private domain in village centres, while maintaining their character and affordability.

The zones reflect a hierarchy, where E1 Local Centre is either a cluster of shops (neighbourhood centre), a larger centre or high-street strip of shops, E2 Commercial Centre is a major centre with office buildings and major retail, while MU1 Mixed Use supports a mix of commercial and residential particularly in strategic centres around a E2 Commercial Centre zone.
