

- (b) To maintain and expand on the current range of land uses, including automotive repairs and service station.
- (c) The site 14-28 Curlewis Street is considered key to the long term objectives of this Part and public domain environment of this precinct. The development of this site to address each of the three (3) street boundaries by building to each property boundary is considered key. The resultant building form will anchor the built form of the intersection while ensuring that each street, Blair and Curlewis streets, is given an improved urban form and scale.
- (d) To create a vibrant streetscape, marking the 'entrance' to Bondi Beach and Waverley LGA, with consistent verge landscaping and signage.
- (e) To promote a diversity of businesses, catering to the needs of the local community.
- (f) To promote the provision of important urban services that cater to the needs of the broader community.
- (g) To provide increased urban greening through climate appropriate planting, canopy trees and raingardens.
- (h) To ensure that new buildings and/or refurbishment of existing buildings are well designed and responsive to existing built form.
- (i) To grow and consolidate the commercial area within the centre.
- (j) To maintain special features of character buildings at 1-7, 2 and 9 Curlewis Street.
- (k) To ensure that new building and/or the refurbishment of existing buildings are well designed with quality materials, respecting existing built form and character if historical in nature, whilst accommodating a potential increase in scale (where appropriate).
