North Bondi Neighbourhood Centre contains a cluster of shops adjacent to the bus terminus. It exists at the northern end of Campbell Parade where it meets Scarborough Crescent, at the intersection with Brighton Boulevard.

The Campbell Parade/Terminus local shopping strip offers a range of retail and other services, providing for the daily needs of the local residents.

This area has a varied building typology, although building styles are all of the Interwar period and built to the street property boundaries. Construction does not exceed three (3) storeys (generally two (2) storeys with a pitched roof) and the majority of buildings of historic character are of brick construction with decorative face brickwork.

All of the buildings of historic character are mixed use, with commercial ground floor and residential upper storeys.
