

- (e) Development directly adjoining buildings of historic character are to be designed so as to respect the hierarchy of the adjoining facade articulation.

3.2.5 Buildings of Historic Character

Objectives

- (a) To protect and maintain the historical identity of each of the individual local centres.
- (b) To protect individual buildings that are considered to be of historic character in each of the centres.
- (c) To encourage the ongoing and adaptive re-use of buildings of historic character.
- (d) To allow for new development in the individual centres that complements the character and scale of buildings of historic character.

Controls

- (a) Identified buildings of historic character, as detailed in the planning controls for each of the individual local centres, are to be retained.
- (b) Where the building form, detailing or use of individual buildings of historic character have been inappropriately altered and changed, any application to upgrade or re-use the buildings must clearly demonstrate that the architectural and streetscape value of the building will be enhanced by the proposal.
- (c) Any application to demolish an identified building of historic character must clearly demonstrate that a replacement building will possess equal or higher quality contributory value with respect to streetscape, character, architectural design, material quality and construction.
- (d) New development adjacent to buildings of historic character must be sympathetic in scale, alignment, detailing and materials.

3.2.6 Building Services and Site Facilities

Building services and site facilities for the purposes of this Part relate to:

- Garbage and recycling collection and storage areas;
- Basement storage areas;
- Mail boxes;
- Laundry facilities; and
- Clothes drying areas.

Objectives

- (a) To ensure that adequate provision is made for essential building services and facilities on site, integrated into the overall design and planning of the building.
- (b) To ensure that the services and facilities are unobtrusive and do not detrimentally impact on the appearance of the buildings or the view of the buildings from the public domain or adjoining residential properties.
- (c) To ensure that the use and operation of the building services and facilities does not unacceptably impact on the residential amenity of adjoining residential properties.
- (d) To provide a clean environment, with waste disposal managed efficiently.
