

- (b) To maintain the predominant street and rear setback to provide for front gardens and planting of mature trees.
- (c) To ensure buildings respond to their location on the low and high sides of the street with respect to height and site access.
- (d) To ensure front garden walls and fences do not detract from the setting.

**Controls**

- (a) Garden walls and fences on the low side of the street are to be a maximum height of 1.2m, to allow front gardens to contribute to the streetscape. Garden retaining walls on the high side of the street are to be a maximum of 1.5m.
- (b) Front setbacks should be predominantly planted or grassed, to allow the elevated view of the front garden to contribute to the streetscape.
- (c) Outdoor terraces and decks are not permitted over garages located on the street boundary on the high side of the street.
- (d) Communal landscaped gardens are required within the front setback to contribute to the public domain.
- (e) The private open space is permitted to encroach 2.5m into the communal landscaped front setback provided that the front setback is a minimum of 6m from the street boundary.
- (f) Roof-top terraces are discouraged due to the greater potential impacts in higher density areas.
