

## 7.2 SITE LAYOUT

### Objectives

- (a) To provide invited public access to and enjoyment of the setting of the heritage buildings and their heritage landscape.
- (b) To identify developable portions of the site.
- (c) To reinstate the experience for the public of exceptional Victorian buildings set in a Victorian-style landscape for its users.

### Controls

- (a) The site layout is to interpret the original arrival experience via the historic pathway from the gates at Bronte Road and Birrell Street as a key entrance point to the site predominately for residents.
- (b) Maintain the buildings identified in Figure 2 as Significant.
- (c) There is to be a series of open spaces and layouts within the site.
- (d) The eastern portion of the site is to be retained as an invited, publicly accessible area as identified in Figure 4 and a public access pathway is also to be provided from the north-west of the site via the heritage gates as identified in Figures 4 and 5.
- (e) The scale of new buildings must not challenge or overwhelm the heritage buildings, Victorian streetscape, or landscape.
- (f) Where possible, provide vistas throughout the site to the western façade of the Vickery (Edina) Building and tower.
