

7.5 PUBLIC DOMAIN AND OPEN SPACE

Objectives

- (a) To encourage a cool microclimate within the precinct.
- (b) To encourage public access and engagement with the heritage of the site.
- (c) To cultivate spaces that encourage mental and physical wellbeing.
- (d) To promote social cohesion and connectedness.
- (e) To contribute to the key environmental targets in Council's strategic plans.

Controls

- (a) Invited publicly accessible open space is to be provided as identified in Figure 4.
- (b) Where open space is to be publicly accessible, these spaces should be open to the public at a minimum of 9 daylight hours. Where fences or gates are to be included, these are to be arranged in an 'open' fashion between open hours to encourage movement through the site.
- (c) The management around the operation of any fences or gates surrounding publicly accessibility, including any exceptional circumstances in which opening hours may need to be altered, should be included in a Plan of Management for the site.
- (d) Provide primary and secondary through site links for pedestrians to increase permeability across the site, as identified in Figure 5.
- (e) The invited publicly accessible outdoor areas are to be accessible and designed with a mix of shade and direct sun throughout the year.
- (f) Consider the provision of accessible vegetable garden beds and facilities (e.g. tools, composting) for collective activities.
