

BALCONIES AND VERANDAHS

Balconies and verandahs are evident throughout the Bondi Beachfront Area in all types and scales. Widely used in the area are large covered balconies or verandahs in flat buildings. These spaces function effectively as outdoor rooms for recreational use in summer, giving views, light and air to flats which would be otherwise small and without immediate access to external open space. In addition to the “traditional” verandah room evident on much flat development, terraces in first floor awning locations and at top floor levels set back behind balustrades are to be encouraged.
