

PARAPETS

Parapets form a distinct and characteristic element in commercial and larger scale residential buildings. Styles in the Bondi Beachfront Area include Classical, Victorian, Art Deco, Spanish Mission and other hybrid types. The various styles are used to effect on both linear and corner elevations, enlivening buildings of utilitarian character that would otherwise be commonplace.

The use of all types of parapets in new development is to be encouraged to continue to develop the building traditions in the Bondi Beachfront Area.
