

- Construction of some built or garden form on site of original gatehouse (to mark entrance);

and more generally, and perhaps importantly

- Develop the site with an appreciation of its identity as a single planned estate;
- Develop the site with an appreciation of the spatial order of the estate, which is contiguous over all of its history to date.

Again, further opportunities exist in regard to details of the exterior and interior of the four Victorian houses, stables, summerhouse, and War Memorial Hospital and Chapel. These structures should be studied in more detail.

6.4. Dissemination of knowledge

Opportunities exist to foster an appreciation of the significance of the site,

- Through composing written histories;
- By collecting historic information and material formally in an archive;
- By promoting more research into the site and its history.

6.5. The Requirements of Uniting (NSW)

Uniting (NSW) wishes to provide a long term planned framework for the site in line with its broader mission and vision. The vision for the campus is "to be a restorative place; a village that is accessible to the broader community".

The intention is that the campus will be planned to include a residential aged care facility (RAC), a Third Schedule Hospital under the Health Services Act 1997, a range of community services, independent living accommodation, childcare and upgraded and augmented existing services.
