

4.6 OPERATIONAL PLAN OF MANAGEMENT

Objectives

- (a) To provide certainty for both the consent authority and the local community about the ongoing management practices to be employed by the proposed use to manage its impact upon the neighbourhood.

Controls

- (a) A development application for the purposes of establishing a new place of public worship, or for alterations or additions to an existing place of public worship must include an Operational Plan of Management (refer to the *Waverley Development Application Guide*). The Operational Plan of Management (as may be amended) will be incorporated as a condition of development consent. This plan must include, but is not limited to the following information:
 - (i) Details of the proposed hours of operation, a schedule of regular services held and recurring events and special events throughout the year. Details including the expected numbers of people are to be provided.
 - (ii) A list of the types of community purposes the building may be used for outside the regular services is to be provided, including information regarding how often and how many people such activities are likely to attract. Examples include community colleges, senior citizens groups, presentations and workshops, youth groups, etc.
 - (iii) A list of the type of organisations that may let or use the building and for what purposes, how often and how many people this is likely to attract.
 - (iv) An explanation of the measures that will be in place to manage parking and local traffic when a special event is scheduled.
 - (v) The estimated number of people to be in attendance at regular services, main events and those other times where it is described that the place of public worship will be in use.
 - (vi) Contact persons who will be responsible for complaints handling. This is to be updated periodically.
- (b) Where Council is aware of community complaints, it may request a revision of the Operational Plan of Management.
