

Photovoltaic panels - A method of generating electrical power by converting solar radiation into direct current electricity.

Pitched Roof - A roof having a minimum pitch greater than 10 degrees and a maximum of 35 degrees taken from the horizontal base.

Pole Sign - A sign having an area no greater than 3.4m², erected on a pole or pylon independent of any building or other structure. A pole sign is generally used in place of a building whose setback from the street alignment renders it unsuitable for advertising display purposes.

Porous - A surface that does allow water to infiltrate into the ground.

Potable Water - Water that may be consumed.

Predominant building line - The predominant setback of the adjoining properties on the same side of the road as the subject site.

Refer to the definition of building line or setback stated in the dictionary of the Waverley Local Environmental Plan.

Private Open Space - Component of open space that is used for private outdoor purposes ancillary to the use of the building and generally relates to rear and side yards and private decks, balconies and courtyards.

Projecting Wall Sign - A sign that is attached to a wall of the building (other than the transom of a doorway or display window).

Prune or pruning - Activities as specified in *Australian Standards AS 4373 – Pruning of Amenity Trees*:

- crown maintenance pruning involving general pruning or thinning
- deadwooding: the removal of dead wood from a tree
- selective pruning: the removal of identified branches that are causing a specific problem
- formative pruning: selective removal of specific branches to enhance form and improve structure or to directionally shape a young tree
- reduction pruning: reducing the size of the crown of the tree in either height or spread. The ends of branches are removed to internal lateral branches or stems
- crown lifting: the removal of lower branches to specified clearances
- remedial pruning: removing damaged, diseased or lopped branches back to undamaged or healthy tissue
- line clearance: pruning to maintain clearances around overhead services which should involve formative pruning, reduction pruning or remedial pruning

Public Building - A building or premises that the public or a section of the public is entitled or allowed to enter or use.

Public Domain - All land and facilities open for public use, including open space, streets, lanes, pedestrian thoroughfares, parks and public buildings.
