

8.6 CHARACTER AND STREETScape

Objectives

- (a) To reinforce the existing street character, through appropriate dwelling facades, building setbacks, fence and landscaping.
- (b) To ensure that alterations and additions to the external appearance of heritage items and contributory buildings respect the contributory features and characteristics of the existing building and streetscape.
- (c) To allow infill development that respects and complements the existing character of the area.
- (d) To reinforce existing views along streets and from the public domain.

Controls

8.6.1 All Development

- (a) A Context and Streetscape Analysis is to be provided that identifies common elements and features of the area including:
 - i. Topography and landscape;
 - ii. Views to and from the site;
 - iii. Significant subdivision patterns, layout, front and side setbacks;
 - iv. The type, siting, form, height, bulk, roofscape, scale, materials and details of adjoining or nearby contributory buildings;
 - v. The interface between the public domain and building alignments and property boundaries; and
 - vi. Colour schemes that have a hue and tonal relationship with traditional colour schemes.
- (b) Development should identify and respect the contributory features and characteristics of the item or the conservation area and incorporate these features into the design.
- (c) The established landscape character of the locality including the height of canopy and density of landscaping should be retained.
- (d) Development near a heritage item should respect the visual curtilage of the item.

8.6.2 Heritage Items and Contributory Buildings

- (a) Additions should be located to the rear to minimise the impact from the street (refer to Figure 7).
- (b) Where the building form, detailing or use of individual buildings of historic character have been inappropriately altered and changed, any application to up-grade or re-use the buildings must clearly demonstrate that the architectural and streetscape value of the building will be enhanced by the proposal.
